HOW TO GUIDE

To edit the content of your membership profile visible on the website, click on the link 'Edit my membership profile' and then on 'Edit'

In this section, you can change all the information and settings associated with your profile page:

- Edit the text about your practice
- Select if your profile should be hidden
- Select if you offer online services
- Select counties you work in (NB please only select the county you physically work in and your neighbouring counties)
- Select areas treated
- Edit the pin location on the map
- Add photo images and logos for the page
- Edit contact details
- Add video, website links, Facebook links etc

The screenshot shows the profile editing interface. On the left, there is a text editor for 'About my practice' with a 'Write about your practice here =>' callout. On the right, there are two settings: 'Hide Profile on Directory' with a checked checkbox and a callout 'Select this box to set your profile to private', and 'Online Service' with an unchecked checkbox and a callout 'Select this box to offer online services'. Below these are fields for 'Address (text to display on the page)' containing 'Co Longford' and 'Address for Google Maps' containing 'Co. Longford, Ireland', with a callout '<= Address for Google Maps'. At the bottom, there is a map with 'Map' and 'Satellite' tabs and a location pin.

You must scroll to the bottom of the page and click **SUBMIT** to save your changes
